## **Meet us at the Festival de la Plaisance...**

### **View the Tim Heywood sculpture for the first time, check out the JIT Italia crew clothing line and win a Yachtview 360°, all on the Yachting Pages stand (RIV005) at Cannes ...**

You can view the Tim Heywood superyacht inspired sculpture whilst getting a free taster back massage from Bertrand Poncet Masssages on the Yachting Pages stand (RIV005) at the Festival de la Plaisance in Cannes this year.

You may have heard that **Tim Heywood** will be signing his new superyacht inspired sculpture at the Monaco Yacht Show, but do not forget that it will first be proudly on display at the Festival de la Plaisance. This unique piece made of a rare 48% lead crystal by Crystal Caviar Interior Designers and designed by Tim Heywood is already causing a stir in the superyacht scene, so make sure you come and see it during boat show season.

For the first time Yachting Pages will be showcasing the skills and products of a range of clients directly from the stand (RIV005), located in the Espace Riviera.

**JIT Italia will be showcasing their crew clothing** on the stand and also on the Yachting Pages staff. All the uniforms for both Cannes and Monaco Yacht Show have been made by JIT Italia and Yachting Pages marketing, sales and distribution staff will be modelling the items through out the show.

**Bertrand Poncet Massage** will also set up their ergonomic massage chair and will be offering free taster massages to visitors. This select team of health and wellbeing experts have been providing Thai, Chinese, Shiatsu, Lymphatic Drainage and Cranio sacral massage, osteopathy/physiotherapy, yoga, pilates and personal training on superyachts since 1999 between St Tropez and Monaco. They now service yachts around the world and are willing to share their skills on the stand at Cannes this September.

On top of this Yachting Pages will be running a competition in conjunction with **Yachtview 360°**. They are offering the three yachts who give the most authorised reviews, on the recently upgraded Yachtingpages.com website between the 1<sup>st</sup> and 31<sup>st</sup> September, a brand new high-end camera system completely free of charge. Yachtview 360° delivers a unique 360° surround view of any luxury yacht and revolutionises mooring and maneuvering. The system which costs €15,000, with installation costs of around €25,000 will be fully installed and operational.\*

Yachting Pages looks forward to meeting with industry contacts, partners and friends at this prestigious event running from 10<sup>th</sup> – 15<sup>th</sup> September 2013.
