Astilleros de Mallorca is a refit and repair shipyard for luxury sailing and motor yachts, located in the town centre of Palma.

Astilleros have invested heavily in the newly refurbished workshops and is on hand to undertake any refit or maintenance work that a yacht might need.

Inside the premises you will find all kinds of workshops for metal work, engineering, painting, carpentry, upholstery, electricians, a/c, rigging and interior design.

The skilled management team will provide assistance for all the yachts' needs.

A full range of services and management team is also available within STP.
