

29 July 2011

Dear Jessica

I just wanted to congratulate Yachting Pages on the 2011 edition.

This year was our first year advertising with you and although we were a little apprehensive about this type of media, I am pleased to tell you that it has already paid for itself many times over. The calls and interest that our advert has generated so far has been amazing and we are very happy with our investment.

We would like to say a huge thank you to you – your attention to detail has been impressive and with your help and guidance we were able to select the best means of advertising and growing our business.

We have already signed up for the 2012 edition and are looking forward to another prosperous year with Yachting Pages.

Kind Regards

Philip Hay
