YACHTING PAGES DELIVERS

DELIVERY REPORT; SEPTEMBER 2017

FRANCE

As with every September in the South of France – the average length and size of yachts present in the ports and marinas is higher than other times of the year. In addition, let us not forget that in comparison with other areas of the Mediterranean basin, the SoF has a greater proportion of larger yachts. Thus the resulting yachts delivered to on this run always makes for an impressive list of names.

Examples this time include;

- SY Twizzle (57m)
- SY Rosehearty (56m)
- MY Golden Odyssey (123m)
- MY Pacific (85m)
- MY Symphony (101m)
- MY Areti (85m)
- MY Naia (74m)
- MY Lady Moura (105m)
- MY Atlantis II (116m)

We also achieved several deliveries to the yachts at anchor – via their tenders, including MY Baron Trenck (44m) and MY Vicky (73m).

The quality of the marketing supports within this pack is excellent, with items such as a Cooler bag from Show Management – the organisers of several iconic American Yacht Shows, A Fender Rope Protector from Chafe Pro, and as every year 2 Free Entrance Passes to the Cannes Yachting Festival.

From Yachting Pages Media Group we included the brand new editions of;

Yachting Pages 2017/18 US & Caribbean
